

MAKE A KIT BAG

You can make a kit bag easily, following these instructions, or donate contents that we will place in a bag.

Finished bag size: 30 × 43 cm (11¾ × 16¾ in)

Fabric: 32 × 97 cm (12½ × 38 in)

Cord: 85 cm (33 in) for each drawstring (cut 2)

Step 1

Fold edge of fabric in 1 cm ($\frac{3}{8}$ in) on all sides and stitch a narrow hem.

Step 2

Fold down 5 cm (2 in) on the two short sides and stitch 0.3 cm ($\frac{1}{8}$ in) away from the fold and the edge to make the drawstring casing.

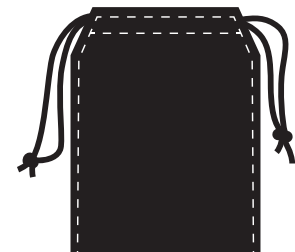

Step 3

Fold bag in half, wrong side in. Stitch bag sides from casing seam to bottom fold close to the edge.

Step 4

Pass a cord through the casing, starting and ending on the same side. Repeat on the other side. Tie off cords.
